

What Is An Assure Certified Contractor?

At Classic PVC, we are proud to be Assure Certified Contractors, a distinction that underscores our commitment to quality and compliance in window and door installations. Assure is an official, [UKAS-accredited Competent Persons Scheme authorised by the Ministry of Housing, Communities and Local Government \(MHCLG\)](#) for the replacement of windows, roof windows, roof lights, and doors in England and Wales. This certification ensures that our work meets the highest industry standards, providing our customers with peace of mind.

Benefits For Homeowners

Choosing an Assure Certified Contractor like Classic PVC offers homeowners numerous benefits, including:

- Assurance that your new windows and [doors](#) comply with Building Regulations, making the installation legal and correct.
- Avoiding significant issues when selling your home, as all work meets the necessary regulations.
- Receipt of a certificate within 28 days of installation, proving the work is registered with the Local Authority.

This certificate is a testament to the quality and legality of our installations. Knowing that your installation has been completed to the highest standards and meets all regulatory requirements provides peace of mind. In the long run, this certification can save you time and money by avoiding potential legal issues and ensuring that your property maintains its value.

Services For Installers

For us as installers, [Assure](#) offers invaluable services that enhance our credibility and compliance. These services include Insurance Backed Guarantees (IBGs), energy ratings, and product certification. By leveraging these services, we can assure our customers that they are receiving top-quality installations backed by rigorous standards and financial protection.

This not only boosts our credibility but also ensures that we remain at the forefront of industry best practices. Furthermore, Assure provides us with continuous support and resources, helping us stay updated with the latest regulations and standards in the industry. This ongoing support enables us to consistently deliver exceptional service to our customers.

Standards & Regulations

Assure Certification means adhering to stringent standards and regulations. All our installers and surveyors are equipped with branded ID cards, confirming their identity and their Mandatory Technical Competences (MTCs).

This certification ensures that our team has the necessary skills and knowledge to perform installations that are both safe and compliant with all relevant regulations. Furthermore, Assure requires that we provide customers with financial protection, safeguarding your investment even if unforeseen circumstances arise. By choosing Classic PVC, you can be confident that our team is well-trained and equipped to handle any installation project with precision and care.

Why Choose An Assure Certified Contractor?

Opting for an Assure Certified Contractor like Classic PVC ensures that your window and door installations are carried out to the highest standards. Our certification guarantees that every installation complies with Building Regulations, providing you with a certificate as proof. This not only secures the legality of the work but also enhances the value and safety of your property.

Additionally, our certification includes financial protection, offering you peace of mind and security. When you choose an Assure Certified Contractor, you are selecting a company that prioritises quality, safety, and customer satisfaction.
